Designing Their Future

What if?

What is?

What else?

What next?

What if?

*Exploring interests and
imagining possibilities.*

What are they curious about?

What excites them?

What do they dream about?

What is?

What subjects do they enjoy?

When are they most engaged?

What kind of tasks come naturally
vs what takes effort?

TAFE & VET

Real Skills, Real Options

- Get a nationally recognised qualification
- Perfect for hands-on learners
- Can help you get a job sooner
- Some courses ATAR eligible

SBAT

- Work, Earn and Learn
- Can fit with the school timetable
- Real career kick start
- Still eligible for an ATAR if they wish
- Great for students who learn by doing.
- Over 40 industries available

What else?

*Back up plans are smart,
not second best*

- They can change direction later
- Encourage them to explore other options alongside their dream
- There are many ways to reach their dreams

What next?

Turning ideas into steps,
one choice at a time

Encourage them to:

- Know themselves
- Do their research
- Ask questions
- Make choices that work for them

Recap

08

HSC

Performance :
Choose what they
are good and what
they enjoy.

TAFE/VET

Upskill :
Study at TAFE and
still get their HSC and
possibly ATAR.

ATAR

Position :
Only needed if they
are going to university
immediately.

How can you help?

You are their safety net, not their GPS

09

Listen more than you advise

Be curious about their interests

Share your own career story
(and changes!)

Encourage balance: academics,
passions, and wellbeing
