

KILLARNEY HEIGHTS HIGH SCHOOL

KHHS UNIFORM POLICY

KHHS UNIFORM POLICY

Rationale: It is school policy and a clearly stated expectation that all students attending Killarney Heights High School wear their full school uniform. The wearing of a school uniform is priority of this School community and is fully supported by the parents and School Council.

Killarney Heights High School is a quality school, and the wearing of full school uniform is one-way students can express a sense of pride in their school, a sense of belonging and commitment to something bigger than themselves.

Students have been advised that they are expected to always:

- Be in full uniform and wear it properly and appropriately.
- Have a note of explanation from parents if they are not in uniform.

If students do not wear the uniform and do not have a note of explanation, the infringement will be followed up by staff.

The uniform committee, in conjunction with the Principal, is the decision making body on school uniform. The committee will liaise with parents, teachers and students on issues relating to the uniform and any proposed changes.
