

Summer Holidays Checklist Challenge

Try these tasks over the holidays to prepare for year 7:

- Try on your school uniform.
- Pack your own recess and lunch for a day (and follow the bell times to eat it!)
- Pack your pencil case and prepare your laptop
- Go for a sleepover at a friends house (practise for the school camp) (ask parents first!)
- Catch the bus / walk to and from your home to KHHS.
- Meet a friend at the Killarney Heights Oval to play a game or sport. This is where we have our PE lessons.
- Walk from KHHS to Melwood Oval (we often do sport at Melwood—practise the route).
- Read a good book!
- Swim some laps at the local pool to train for our upcoming school swimming carnival.
- Make a calendar for term 1 2025 and include important dates for school.
