Respect Connect Aspire

Term 3 Week 9 2019

Principal's Report

Reflecting on our Success

Last week we had a visit from Mr Mark Scott, the Secretary of the NSW Department of Education. He chose to visit our school as he had heard about all the wonderful things that are happening at Killarney. He was here so we could share our successes and challenges with him, it is heartening to have the head of the Department, actually come to the coalface and listen to real teachers.

Mark Scott  @mscott · 2d

Terrific spending time with @MrsEmmo at her team at Killarney Heights High School today. So much going on - and this Year 12 English class is ready for anything the HS...

Of course we shared our recent HSC results, with not only the great results in English, but across all HSC areas. He spent some time in Ms Rose's Year 12 English class, where they were creating opening paragraphs for their upcoming HSC questions. The student answers were phenomenal.

We also showed Mr Scott how we are excelling in technology, where he saw Year 10 Music playing their compositions for their assessment task. Noah's piece that he composed to a clip from Toy Story was amazing.

In Year 10 IST, he saw students showing off their final films. Dmitri's green screen effect, putting his friend in a fighter plane was amazing. I believe that students that are creating such great works are using the 21st Century skills that will equip them for the future.

The drama class also showed how they were using the skills of communicating, collaborating, critical thinking and co-operation, as they played drama games whilst Mr Scott was talking to their teacher Ms Grugan.

I did bring up the challenges that we face: that is increasing mental health issues and how schools are ill equipped to deal with severe cases. I also informed Mr Scott of the difficulties in getting funding for basic repairs (such as the toilets) and the insane amount of paperwork to get such work done. A further challenge is finding teachers that can afford to live in this area: we are often short of Science, TAS and Maths teachers.

This is the final week of celebrations for Year 12, we have our last classes on Monday and Tuesday and a fun day on Wednesday with bubble soccer. On Thursday we say our farewells to Year 12 in the graduation ceremony, where we reward those who have given so much to the school, prizes for academic effort, for sport, for citizenship and leadership. As there are so many talented well deserving students at Killarney Heights High School, it was a hard choice selecting students for each award.

The HSC is a highly valued qualification. To gain an HSC is an honour, it is a well-recognised qualification that will help students get a job, or be admitted to university or other institutions. They have earned this, they have worked hard, now is the time to celebrate!

Following graduation is the Year 12 formal at Taronga Park Zoo, which will be attended by staff and students. I'm looking forward to seeing our young people dressed up (and suddenly so much older in suits). I'm sure there will be a tear in our eyes as we suddenly realize that these young people are adults and ready for the world.

Hayley Emmerton
Principal

Upcoming Events	
26 September	Year 12 Graduation and Formal
27 September	Last Day of Term 3
14 October	First Day Term 4
14-18 October	Year 10 Exams

25 - 29 November	Year 7 Exams
2 December	P&C Meeting
3 December	Year 7 2020 Orientation Day
11 December	Presentation Night
18 December	Last Day of Term 4 for Students

Staff Award

Mr Matt Murphy was presented with an Executive Director's award last week at a ceremony in Epping.

Since 2018, Matt has led the school in the Instructional Rounds model as part of our school transformation process. He has formed teams of mixed faculty teachers to observe teaching practice in a collaborative, non-judgemental way. He has led the analysis of the observations to inform us of our problems of practice and patterns of learning and where these need to be

addressed. He has ensured the participation of all staff, motivating and inspiring them to focus on whole school improvement. His compassionate instructional leadership, his organisation and superb people skills have meant that teachers are improving in their practice; his focused work has put effective pedagogy at the forefront of what we teachers do at Killarney Heights High School.

Under his leadership, each faculty is responsible for targeted professional development of the staff allowing opportunities for leadership and the sharing of pedagogical knowledge and practice. Through this process, we are now confident that professional learning is translated to the classroom. Credit for the thoughtful application of professional learning, for the desire to improve the problem of practice and for following a strong moral compass for school improvement for students and teachers is credit Matt deserves.

He has led the evolution of this program to the Instructional Rounds for students. This student voice has empowered students to take responsibility for their own learning, teaching others how to learn and how to become better learners themselves. Matt works with the whole school community, addressing challenges calmly and cooperatively, and bringing out the best in others and positively contributing to making the school a great place to learn to be a lifelong learner.

We are confident that Matt has embodied goals of the NSW Department of Education in particular: Every student, every teacher, every leader and every school improves every year.

Aspire Awards

ASPIRE awards

A big congratulations to the ASPIRE award winners for 2019. The Aspire Awards Morning Tea is held to recognise and celebrate student achievement and effort at Killarney Heights High School. Students receive awards for student excellence or sustained effort.

Year 7

Year 8

Year 9

Year 10

Year 11

Year 12

Year 11 Report

Year 11

Term 3 has flown by for the Year 11 students, with the Life Ready programs taking place earlier this term and most recently nominations, speeches, elections and induction ceremonies for the Prefect body of 2020. All of the students who nominated and presented speeches for these positions should be commended for their efforts and enthusiasm. Once again this group has shown that they are extremely mature and capable of extra responsibility and I am looking forward to seeing them demonstrate their leadership in their final year of school in 2020.

Year 11 have been feverishly finishing off their Preliminary courses and studying for their upcoming examinations this term. They should be commended for the maturity they have been demonstrating toward completing their final assessment tasks. They will be assessed on their knowledge and understanding in the Preliminary Examination period that begins on Friday of wk 8 – Wednesday wk 10. They should endeavour to complete all of these tasks to the best of their abilities and know that their hard work over the year has been building to this opportunity. I wish them all the very best of luck in this formal examination period.

Year 11 students are expected at the Year 12 Graduation Assembly on Thursday 26th September to farewell the cohort of 2019. Following this the Year 11 students will complete the Tell Them From Me Survey, the data from which will guide the Wellbeing program for Yr 12 2020. Students' responses remain completely anonymous and they are encouraged to be honest in their responses. Their final term of Year 11 will finish with a wellbeing excursion to Luna Park following a breakfast at school to celebrate the end of Year 11.

I hope all Year 11 students and families enjoy the holiday break.

Ms Emma Higgs
(Year 11 Adviser)

Year 10 Food Technology

Year 10

For our food tech assessment this term, we (Year 10) had to design and decorate a children's birthday cake. We had to choose a theme of our choice, then plan the design and create it.

We were given 2 hours to bake, shape and decorate our cake to the best of our ability. We were given a cake mix and buttercream and we each had to individually decorate our cakes. A range of cake decorating techniques were used between the two classes, including: modelling fondant, ganache drip, piping buttercream and modelling chocolate. Some of the themes for the cakes made included: Zoo Animals, Superheroes, Disney, Fantasy and Fairies.

Personally, I really enjoyed this task. It was an incredible experience and everyone was so encouraging and supportive of each other. It was a great opportunity to try something new, and it was very different as many of us had never decorated a birthday cake before. One of the difficulties me and some others experienced was with time management. Time went by so fast and before we knew it, the lesson was over. Not everyone got to add the final details to their cakes in time but all the cakes looked amazing in the end. Overall, I really enjoyed this assessment task and was very happy with my final product.

By Emilie Everingham Year 10 Food Technology

Some examples of our cakes are below:

Year 10 Textiles Recycle Project

Textiles Recycle Project

Year 10 Textiles students were a great help to students in years 3 and 4 from Killarney Heights Primary by sewing their offcast clothes into something new. The task of the primary students was to design a bag from a piece of old clothing. A more challenging task was to turn the crazy ideas of the children into something workable!

The 9 high school girls did a fabulous job and worked tirelessly, listening to the younger children and realizing the dreams for their bags. It was challenging for the girls, as they had to sew stretchy fabrics, solve practical problems and more importantly please their little clients.

Shannon Knight had a very tricky customer in Aiden. He came with two pairs of old board shorts and a stripy long sleeve top: from this he wanted to create a back pack with several compartments. Aiden was most insistent that he needed room for his water bottle, his swimmers and other bits and bobs. Shannon managed to sew across the legs of the shorts, then joined the two pairs of shorts down the middle somehow attaching this to the stripy top to make a back pack. The final product could even hold a skateboard crossways. He was one happy customer.

Ashleigh was helped by Rani, who made a most feminine shopping bag from a pink and white checked blouse. Rani sewed the front section of the blouse together along the button line, then added a braid handle, finishing it with a bow.

The primary students then added their decorations either by gluing, painting or sewing extra bits on the outside of the bag. As well as this they had to create a promotional poster, to sell the features of their bags. A grand finale fashion parade will be held next week.

Year 9 Poetry Slam

**The Killarney Heights High School English faculty
is proud to announce the winner of the
2019
inaugural
KHHS Year 9
POETRY SLAM!**

This term all students in Year 9 have been studying and composing poetry exploring Australian Voices and Perspectives. It has been amazing to see our students inspired by the voices and views of a wide range of Australian poets who have shared their unique experiences through the power of poetry.

As well as written compositions, students composed performance poems to enter in our class poetry slam. There was a very high level of competition as students' competing voices expressed a variety of perspectives on issues and ideas relevant to contemporary Australian students.

A HUGE congratulations needs to be extended to Adam Castle for WINNING our 9X class poetry slam with his powerful entry exploring ideas about bullying. (Please read his poem below)

Further congratulations is deserved by runner-up Priya Gokani

Both Adam and Priya will be performing their slam poems at the launch of our Year 9 Anthology of Poetry at Harry Hartog's Bookstore in week 3 of term 4.

Mel Cunningham and Katrine Pascoe
English Teachers

Bullies hurt to alert and assert that they have insecurities and 0 maturity of what they are doing to me.

The letters in the words, curse, hurt, and scar.

They leave marks with no concern of the damage they yearn to impress like a burn.

School is supposed to be safe but every day when you come through the doors, you are entering the high school war, with no clue of what's in store.

You will be shot at with words that could kill.

They are thrown without any rightful skill, from the bullies with no chill and no destiny to fulfil.

They act big and tough and rough with a huff it's all just a bluff.

There's always someone that makes you cry you gain pain and hurt inside as days go by and you just want to lie down and die or fly into the sky but you can't.

I am the voice of those afraid to speak, those of us society calls weak, those you ridicule every day because of the disarray where you stay.

This is a real situation in this nation during our education past our graduation from those with no consideration only determination to bring us down with them.

People tell us to be bigger and not retaliate but how can we with a tummy ache and feeling fake.

We cut ourselves in hate, trying to dilate and evaporate our pain.

We self medicate and hyperventilate this isn't our fate. But this is what they create.

Another life abused another life wasted another torn heart another life marauded.

By Adam Castle

Year 9 Commerce Market Day

Year 9 Commerce Market Day

Emerging entrepreneurs in Year 9 Commerce had the opportunity to display their business acumen at the Annual Commerce Market Day, held on 20th September. The humble school quadrangle was transformed into a bustling, dynamic marketplace flogging a range of wares, from artisanal food products to high end fashion accessories straight from the independent design floors of Killarney Heights.

Our future business leaders held full responsibility for their commercial operation, from design to delivery. Advanced advertising and marketing techniques were applied to achieve successful commercialisation of products. Experience in business skills was achieved through branding, marketing, maintaining financial cashflow, delivering quality customer service, and concluding business operation. The spirit of consumerism worked strongly through the

Year 9
Commerce Market Day

Killarney student body (and a number of teaching staff) leading to spectacular dividends for all stakeholders.

A huge congratulations to all our businesses on a highly successful market day!

Special thanks to the KHHS's very own Shark Tank/ business management consultants Mr Morey, Mr Simmons and Mr Gardner for their guidance and expertise!

Terrific Ten (PBL)

Terrific Ten Students for Term 3

This Year our Positive Behaviour for Learning (PBL) Team has initiated a New Award called the Terrific Ten, which stands for having Ten Terrific school days. Our Sentral data is analysed each fortnight to establish the student in each Year Group who has achieved the most Killa's, these are the frequent rewards given to students for upholding our school values of Connect, Respect and Aspire. Killarney Heights High School acknowledges the achievements of these students with a Terrific Ten Dollar Credit at the school Canteen.

Each fortnight the Terrific Ten students for each Year Group are published in the Daily Notices. Students can then access their Terrific Ten Dollar Credit from the Canteen by showing their KHHS School ID to the Canteen Staff.

A huge congratulation to the following awesome students who are our Terrific Ten Recipients for Term 3 2019:

Term 3

Weeks 1 and 2

Year 7 Hugo Latal
Year 8 Hao Zheng
Year 9 Tommy Chen
Year 10 Rebekah Nam
Year 11 Courtney Gray
Year 12 Patrick Nolan

Weeks 3 and 4

Year 7 Ava Scotter
Year 8 Holly Jordan
Year 9 Ira Arora
Year 10 Jamie Chen
Year 11 Thomas Souchaud
Year 12 Goki Saito

Weeks 5 and 6

Year 7 Taiga Player
Year 8 Gabriella Andrade Wood
Year 9 Jade Cunningham
Year 10 Matthew Collings
Year 11 Nicholas Everett
Year 12 Jonathan Stanbury

Weeks 7 and 8

Year 7 Gemma Andrew
Year 8 Angus Johnson
Year 9 Matthew Di-ienno
Year 10 Tallulah Howard
Year 11 Aiden Sharp
Year 12 Alisha Miyamoto

Sport

State Athletics Championships

Congratulations to Tara Laytham, Year 8, competed in the 15G 1500m Race Walk at the Combined High Schools State Athletics Championships at Homebush, coming third in a personal best time of 7m 5.3 sec (previous best was 7m 15)

Congratulations to Kyle Fisher who placed 3rd in the High Jump at the Combined High Schools Athletics Event. Kyle continues to break records at the school, zone and regional level and we cannot wait to see what he produces next year!

NSW Schools Orienteering Championships

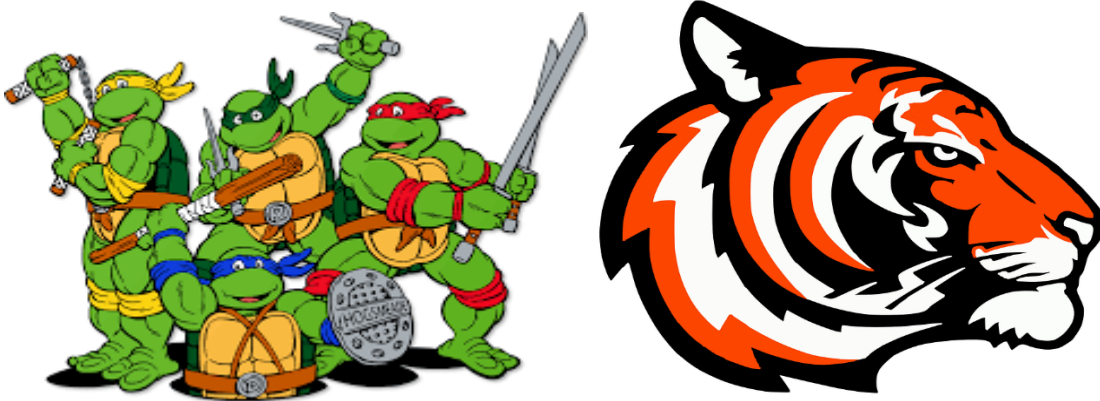

Cooper Horley, Year 7, represented Killarney Heights High School and the Sydney North region in the NSW Schools Orienteering Champs in Burradoo, Moss Vale and Welby in the Southern Highlands. Cooper placed 1st in all events (both Sprint events on Saturday and 1st in the middle distance event Sunday in the M13A category). Congratulations Cooper!

House Sport Year 9

Congratulations to the Tigers and Turtles leading the competition for the house sport event on Wednesday during sport. The chasing pack are close behind so good luck to all teams fighting for glory!

Sport Selections Term 4

New sports selections for the final 7 weeks of school in term 4 will be made during **week two term four**. This will be online through school bytes once again. Please ensure new permission notes are collected and signed. These can be found outside the PDHPE staffroom and through the school bytes website at the start of **week two in term four**.

Lawn Bowls

In partnership with Forestville RSL we are looking for any students who would like to take up Lawn Bowls as a sport. The Forestville RSL is looking for any students of any age who are keen to learn the fantastic sport of Lawn Bowls. They will provide coaching and structured learning to any student who wishes to compete for them. Please register your interest with Mr Aguilera in the PDHPE staffroom.

P&C News

Grounds Working Bee

Thank you to all the families who came along to our Working Bee this term. It was a small, but very effective group as the photos show. We weeded, tidied, mulched and planted our front Starkey Street Gardens. Two garden areas on either side of the hall entrance gate were extended, mulched and beautified. Volunteers dug out dry areas of patchy lawn to form larger garden beds and planted them with Wax Flowers, Midgenberry and Purple Fan Flowers.

Our last Working Bee for 2019 will be held on Sunday 10th November. We hope to see you there!

P&C Meeting - Monday 4th November- 7pm - Upstairs in A Block

This term we have focused on establishing a P&C funding priority list. This will be an ongoing list consisting of future spending ideas of P&C funds. These funds are mainly sourced from the voluntary P&C fees paid by the KHHS families and we would like to invite and encourage all parents to have their say on where they think these funds should be used. Ideas can be submitted either in person at our meetings held twice a term or via email:

killarneyheightspandc@gmail.com

KHHS P&C

Part-time Uniform Shop Assistant Position

The uniform shop is looking for a part-time assistant to help with the busy periods the shop encounters in terms 1 & 4. Generally hours would be Tuesday 8am - 9.30am and Thursday 2pm - 3.30pm but these times are a guide only and you would need to be flexible around the busiest periods of year 7 orientation and back to school at the beginning of the year.

This paid position requires no previous experience as on the job training will be provided but does require someone with an eye for detail, a cheerful disposition, a Working With Children Certification and as previously mentioned, a fair degree of flexibility in their availability.

Duties include serving/fitting customers, packing orders, stacking shelves and helping keep shop clean and tidy.

For more information or to register your interest in this position please contact Dee in the uniform shop by email to khhsuniforms@gmail.com

Call For Volunteers

We are fast approaching the busy end of the year for the uniform shop and are looking for volunteers who may have a few hours to spare. We particularly need:

Tuesdays 8 to 9.00/9.30

Thursdays 2.30 to 3.30

Also Orientation Day for Year 7 2020 is on Tuesday 3rd December and we need a number of helpers for that day.

If you can spare time for even just one shift please let me know.

Call me during uniform shop opening hours or text me on 0418 962 246 or email the uniform shop on khhsuniforms@gmail.com

Many thanks Dee Cleworth – Uniform Shop Manager
KHHS Uniform Shop 9453 5000

Careers

Career News

A more detailed version of the careers news can be found at <http://www.killarneyheightshscareers.com>

UAC

If you're thinking about applying to uni then you've got two weeks to get your applications in before the early bird applications close. After 30 September (up until applications close on 7 February 2020), the fee goes up to \$200.

You can always change your course preferences later but you'll save money if you get your application in now.

EAS (Educational Access Scheme) aims to help students whose education has been negatively affected during Year 11 and/or Year 12 receive an offer to university. To apply for the EAS you must be able to demonstrate that your Year 11 and/or Year 12 studies have been negatively affected for a period of at least six months, as a result of circumstances beyond your control or choosing

If you are applying and need to get an **EIS** (Educational Impact Statement) from a teacher then it is advisable to organise this statement ASAP. Please see Ms McDermott if you need any more information.

ATAR NOTES HSC LECTURES – OCTOBER SCHOOL HOLIDAYS

ATAR Notes are once again hosting a series of their popular HSC Lectures during the upcoming school holidays.

Running at both UTS and Macquarie University, these lectures will give you the information you need to know about acing your HSC exams. They have workshops for all subjects, including Sciences, History, English, Maths, Arts and more. Best of all, they are completely free!

See all the upcoming sessions and book your place

here: <https://www.eventbrite.com.au/o/atar-notes-hsc-lectures-9009697476>

SCHOLARSHIPS available

[University of Sydney James Strong – Rip Curl Undergraduate Scholarship](#)

\$6,000

Generously donated by the Rip Curl Group in memory and legacy of James Strong, this scholarship provides financial support to enable students to study Science at the University of Sydney. You must:

- be an Australian citizen or permanent resident
- enrol full-time in an undergraduate degree in the Faculty of Science

- have achieved an ATAR (or equivalent) of at least 90.00 in the NSW HSC (or equivalent) in the year of application.

Note: The scholarship will be awarded on the basis of academic merit and outstanding ability in sport. Preference will be given to applicants who have competed in sports at the state, national or international level. Applications close on the 3 February 2020

Ms McDermott
Careers Adviser

Scholarships for future teachers are now open

The NSW Department of Education is offering a range of scholarship opportunities for high achieving students entering teacher education degrees after their HSC. Applications are now open for 2020 scholarships for future teachers.

The scholarship programs for future teachers offer a range of benefits, including financial support whilst studying and a guaranteed permanent teaching position in a NSW public school on successful completion of studies.

The scholarship programs for future teachers include:

- [Teacher Education Scholarships](#)
- [Teacher Education Scholarships - Aboriginal](#)
- [teach.Rural Scholarships](#)

teach.MathsNOW Scholarships are now open

Parents and carers, this is for you. Do you know an industry professional or current university student in a career area requiring tertiary studies in mathematics - for example, in engineering, accounting, finance or IT - who would make a great secondary mathematics teacher? The [teach.MathsNOW Scholarship](#) offers an opportunity to change career path and retrain as a mathematics teacher in a NSW public school.

teach.MathsNOW scholars will receive up to \$50,000 in equivalent upfront course contribution fees, paid part-time employment during studies and a guaranteed permanent teaching position in a NSW public school on successful completion.

To find out more about these and other great opportunities, please visit the [teach.NSW website](#) and follow the teach.NSW social channels ([Facebook](#), [Instagram](#), [Twitter](#)).

Winter Sports over for the year?
Want to try something new?

Manly Ultimate Youth League begins in Week 1, Term 4

Every Wednesday evening (5.30 – 6.50pm)

@ Millers Reserve, Manly Vale

Ultimate Frisbee is a mixed gender sport for all levels of fitness that combines the spirit of a self-refereed sport with quick running, team dynamics, and beautiful throws and catches!

Only \$60* for a 16 week season: Oct 16 – March 2020 and includes your own Discraft Frisbee and a team shirt (* free with Active Kids voucher).

Rego is OPEN - check out manlyfrisbee.com/youth for more information or email Kath or David at manlyyouthultimate@gmail.com

MARY POPPINS – STAGE ARTZ CHARITY MUSICAL 2019

Each year, the Stage Artz Theatre Company and Stage Artz Performing Arts School combine to stage a musical production to raise money for The Children's Hospital at Westmead. By the end of 2018, Stage Artz Charity Musicals had raised \$263,000 for The Children's Hospital at Westmead, taking our donation over the \$250,000 benefactor status level. As 2019 is our first year as an official Hospital Benefactor, we are preparing to make this year's charity show the biggest one yet!

Disney and Cameron Mackintosh's MARY POPPINS has delighted Broadway audiences for over 2,500 performances and received nominations for nine Olivier and seven Tony Awards, including Best Musical. Mary Poppins is an enchanting mixture of irresistible story, unforgettable songs, breathtaking dance numbers and astonishing stagecraft. It is a magical, sensational adventure for young and old. We are thrilled to be bringing this supercalifragilisticexpialidocious Broadway musical to the Glen Street Theatre stage!

Performance and booking details are attached. Please come along and join us at a performance of Mary Poppins, and help us raise money for the beautiful kids at Westmead Hospital.
